

## House Resolution No. 2057

**Whereas**, it is with special pleasure that the members of the Missouri House of Representatives pause to recognize an outstanding young Missouri citizen who has distinguished himself as a leader of his peers; and

**Whereas**, Nathaniel Hunton of Hazelwood, Missouri, participated in the University of Missouri Undergraduate Research Day on April 20, 2004, at the Missouri State Capitol; and

**Whereas**, Nathaniel Hunton is one of twenty-one undergraduates who displayed their research experience during a poster session in the Third Floor Rotunda; and

**Whereas**, Nathaniel Hunton is an exemplary student at the University of Missouri-St. Louis, where he stays busy concentrating on his major which is physics; and

**Whereas**, the author of “Structure of graphene starsmoke: From the galaxy to the lab”, Nathaniel Hunton is in his second year of participation in NASA's Missouri Space Grant Program; and

**Whereas**, following the completion of his undergraduate studies, Nathaniel Hunton plans to attend graduate school; and

**Whereas**, Nathaniel Hunton has realized these and other achievements with the love, support, and encouragement he has continuously received from his teachers, friends, and family, including his parents, Leon and Carol Hunton:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously in extending our most hearty congratulations to Nathaniel Hunton, a remarkable young man who continues to serve as a shining example and role model for all those around him; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Nathaniel Hunton, as a measure of our esteem for him.
